## **DETAILED ACTION**

### ***Election/Restrictions***

1. Applicant's election without traverse of claims 1-11 in the reply filed on 12/19/2007 is acknowledged.

Claims 12-15 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected Group, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 12/19/2007.

### ***Specification***

2. The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

### ***Claim Objections***

3. Claim 11 is objected to because of the following informalities: The word "focussing" should be "focusing". Appropriate correction is required.

### ***Allowable Subject Matter***

4. Claims 1-11 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding independent claims 1 and 7, the prior art of record neither shows nor suggest a lamp comprised of, in part, an outer envelope around said lamp vessel, said outer envelope comprising a reflective film fully coating said outer envelope, said reflective film being adapted to transmit a first part of the visible portion and a second part of the infrared

portion, said second part being greater than said first part, and a cap having one section for supporting the outer envelope, along with the rest of the limitations of the claim(s).

Due to their dependency, claims 2-6 and 8-11 are necessarily allowable .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

5. This application is in condition for allowance except for the following formal matters:

Please refer to the above Action.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
